Petition for Emergency Relief to Protect Portions of Report of Continued Compliance as an Alternative Gas Supplier.

**RECOMMENDATION:** Enter the attached Order exempting Petitioner's Report of Continued Compliance from public disclosure for a period of five years.

---

Illinois Energy Savings Corp. d/b/a U.S. Energy Savings Corp. ("Petitioner") seeks an order protecting its Report of Continued Compliance as an Alternative Gas Supplier from public disclosure for a period of five years. Petitioner states that its Report of Continued Compliance contains commercial and financial information that is highly proprietary and confidential, and that disclosure of this information to competitors would be detrimental to Petitioner.

There are no intervenors in the matter and since this request is similar to many others, a hearing was waived. The attached Order finds that Petitioner's Report of Continued Compliance should be exempt from public disclosure under Section 7(g) of the Illinois Freedom of Information Act and Section 5-109 of the Public Utilities Act for a period of five years. I recommend that the attached Order be entered granting the requested relief.
